JEC COMPOSITES MAGAZINE is one of the largest composites industry organizations in Europe and in the world. It represents, promotes and expands composites markets by providing global and local networking as well as information services.

BRAND REPORT PURPOSE

The Brand Report provides a deeper understanding and identification of all audited touch points with customers that have interest in the brand. It is designed to present analysis of all communication channels, including a brand's unique users within each channel of, but not across, multiple media platforms. This non-integrated report contains data for each separate media channel as indicated in the Executive Summary. No attempt has been made to identify or eliminate duplication that may exist across media channels.
