

PRESS RELEASE

April 5th, 2022

Italy, a key country at JEC World 2022

JEC World is back! With its top one mission, to support the growth and promotion of the composite materials industry by developing know-how and business connections channels and platforms. Driven by a wave of enthusiasm and a strong will to get back together, the unmissable event will reunite all the actors of the composites sector giving them the opportunity to meet onsite or online.

ITALIAN KEY FIGURES

- 100 exhibitors
- 1 pavilion with 15 exhibitors
- 2 companies competing for a trophy

The Italian composites market is in a good shape and the expectations for the years to come are bright. A dynamism well illustrated, every year at JEC World, as Italy is in the Top 5 countries in terms of exhibitors and visitors. For the 2022 edition of JEC World, one Italian Pavilion, led by ITA, and 100 exhibitors have validated their presence, confirming this constant trend.

Among the exhibitors, some key actors of the industry: CMS, POLYNT, TOPGLASS, AVIOREC, MICROTEx and many more. (Full list below)

As one of the most influential countries in the composites industry, Italy obviously gets represented in JEC World's famous competitions, highlighting the efforts made towards innovation:

- **The Automatic workbench for inline hydrostatic testing by AUMATECH srl is competing for the JEC Composites Innovation Awards** in the category Equipment & Machinery.
- **Phononic Vibes, an Italian startup is also in line for the JEC Composites Startup Booster competition**, in the Category "Products & Materials": the pitch session will take place on May 3rd, winners will be announced on May 4th!

SEE YOU THERE!
