

**JEC COMPOSITES TALKS Brazil**  
**August 19<sup>th</sup>, 2024 - São Paulo**

The agenda for the second edition of JEC Composites Talks Brazil has been defined. JEC Talks is a networking event that aims to unite the composites community to exchange information about trends, share knowledge, and generate business opportunities.

**JEC Group** and **ALMACO** will organize JEC Composites Talks Brazil, which will take **place on August 19<sup>th</sup>, 2024** starting at **1 pm, at the Tivoli Mofarrej Hotel in São Paulo.**

The event will be exclusive to representatives of ALMACO member companies, research and technology institutions, universities, and consulates.

Check the program:

1:30 pm.

Global composites industry trends and JEC activities, Eric Pierrejean, president of **JEC Group**

2 pm

The **Brazilian composites industry** and the **ALMACO** pavilion at JEC World 2025, Erika Bernardino Aprá, president of ALMACO

2:15 pm

Wind blade production versus market challenges, Erica Maria Cordeiro, commercial director at **Aeris Energy**

2:45 pm

Aeronautical applications for composite materials, Rafael Ferreira, process development engineer at **Embraer**

3:15 pm

Advances in materials: the application of composites at Marcopolo, Felipe Biondo, and Jefferson Dos Santos Oliveira, respectively, materials engineering and reliability coordinator and engineering and R&D specialist at **Marcopolo S.A.**

3:45 pm

Revolutionizing engineering and architecture with composites. The future with design, quality, and durability has arrived, César Zanchi Daher, managing partner of **DAHER Engenharia Consultiva e Tecnologia**

4:15 pm – 4:45 pm

Coffee break

4:45 pm

The role of composites at Kuhn: current advances and future trends in agricultural machinery, Leonardo Freire, R&D manager at **Kuhn do Brazil.**

5:15 pm

Use of plastics and composites in chlorine and chlorinated products, Antonio Caprino and Alessandro Pupo de Sá, respectively, chlorine-soda consultant for the technical department and static mechanical design engineer for the **Unipar Group**

5:45 pm.

Cocktail
