

PRESS RELEASE

Paris, 19th of September

Save the date! **Launch of the 2nd Edition of the JEC Forum Italy** ***Villa Erba, Cernobbio, Lake Como - June 11-12, 2025***

Following the tremendous success of the inaugural event, JEC is pleased to announce the return of the JEC Forum Italy for its second edition, which will take place on June 11-12, 2025, at Villa Erba, an iconic venue located in Cernobbio, on the shores of the stunning Lake Como, in Lombardy.

This B2B event dedicated to composite materials and organized in collaboration with Assocompositi, will be gathering key suppliers, qualified buyers and development centers. This regional forum promotes the Italian composites community bringing a unique opportunity to connect and engage with professionals and various stakeholders of this dynamic industry, even beyond the Italian borders.

A prestigious setting at the heart of Lombardy, the beacon of industrial excellence

The choice of Villa Erba on Lake Como is no coincidence. Nestled in the heart of Lombardy, a region renowned for its central role in Italian industrial excellence, this location offers both an inspiring and strategic experience. Lombardy is not only a hub for the composites industry but also a model of innovation and economic dynamism, hosting leading companies in sectors such as automotive, aerospace, and consumer goods.

A program centered on Business Meetings

At the core of this event is the Business Meetings program, which offers participants pre-arranged business appointments, ensuring targeted and effective interactions among key industry players. These meetings provide a unique opportunity to establish strategic partnerships, discover the latest innovations, and develop new business opportunities.

Participants and registered companies

Among the companies already registered for this edition are industry leaders such as FK Group, Blacks or Scott Bader, who will play a key role in discussions and demonstrations throughout the event. These companies, recognized for their expertise and innovation, will help make this second edition an unmissable event.

In partnership with Assocompositi

The JEC Forum Italy 2025 is organized in partnership with Assocompositi, the Italian Association for Composite Materials. Assocompositi, which brings together the main players in the Italian composites sector, plays a crucial role in promoting the composites industry in Italy and beyond. This partnership

strengthens the strategic dimension of the event, ensuring strong representation of the interests of the Italian composites industry.

A rich and diverse program

In addition to the Business Meetings, the forum will feature conferences, round tables, and interactive workshops with the participation of experts and internationally renowned guests. These sessions will address the latest technological trends, challenges, and opportunities in the composites sector, with a focus on innovation, sustainability, and new industrial applications.

Quotes :

Anne-Carole Barbarin, JEC Regional Events Director and Director of the JEC Forum Italy, expressed her enthusiasm “After a very successful first edition in Bologna, I am looking forward to the next JEC Forum Italy which sounds very promising! Once again, by gathering key players in the Italian composites industry, this event will be a tremendous opportunity to support and promote our very dynamic sector and develop related businesses and activities.”

Roberto Frassine, President of Assocompositi: “We are very pleased to renew our collaboration with our strong partner JEC for this second edition of JEC Forum Italy. This year, we chose to organize it in Lombardy as this region is key for the Italian economy and hosts big players of this industry. This event is a strong platform for networking, bringing new business opportunities especially in strategic areas of the composites sector.”
